THE FOLLOWING SECURITY MEASURES WILL BE IN PLACE FOR THE HEART OF ILLINOIS FAIR. For the safety of our patrons, exhibitors and their entries, employees, guests and performers we will be implementing new security policies. As exhibitors you will be required to have your exhibitor pass, ticket or armband **on or with you at all times** to show each time you enter one of our gates. If you intend to bring a vehicle onto the grounds, you must have the proper mirror hang tag for your vehicle. Please keep in mind a vehicle hang tag allows the vehicle through the gate, **HOWEVER**, the driver and passengers must each have a ticket, armband or **gate** pass. Your vehicle hang tag will indicate which parking lot you need to park in during our hours of operation. This will be strictly enforced. We will no longer do hand stamps if you need to leave the gate, instead a paper armband will be put on by the ticket personnel. If you do not have your credentials you will need to plan on paying to get through the gate. No refunds will be issued. These new policies are to ensure we have a safe and secure fair for everyone.

PREMISE REGISTRATION IS VOLUNTARY TO EXHIBIT LIVESTOCK (beef, dairy and swine). Choosing to register your premises puts you on the frontline of controlling and preventing the spread of animal disease. A disease outbreak can't be predicted but it can impact every segment of animal agriculture. Participation ensures that you have the information you need, when you need it most, to protect your animals and your investment. Registering a premise involves obtaining a seven-character alpha-numeric "identifier" for the farm, ranch, veterinary clinic or other site where livestock or fowl are handled, housed, managed or processed. If an exhibitor wants to register their animals an application form can be found on-line at www.agri.state.il.us/premiseid. Exhibitors who register on-line will receive a premises registration number immediately. An application can also be obtained by calling 1-866-299-9256. If completing application and returning by mail, it may take up to 4 weeks to receive the number. Return applications to: Food Safety & Animal Protection Bureau, Illinois Department of Agriculture, P.O. Box 19281, Springfield, IL 62794-9281
